RE: Amended Schedule A – April Quarterly Report
Covering the period January 1, 2015 through March 31, 2015

Enclosed are the Summary pages and pages 43 and 44 of Schedule A of the previously filed April Quarterly report for the Families for James Lankford Campaign (FEC ID C00466482) covering the period January 1, 2015 through March 31, 2015. The filing of the amended pages is necessary because one contribution was erroneously attributed to the 2016 General election and should have been attributed to the 2016 Primary election. This was overlooked prior to the original filing.

Please contact me if there are any questions.

Respectfully,

Terri Miller, Treasurer
Families for James Lankford
